### Sort Photos - User reviews

That's what people say about Sort Photos Now possibilities:"I had several hard drives full of different picture cameras in the different years. I am picturejournalist and travel around the world with my picture cameras. In the past all photos were made on photographic films and are stored, being printed on the paper. Today I use digital picture cameras with high resolution, such as Nikon TX Extra. I stored all my photos on my notebook and several mobile hard drives. Finally, all photos mixed up and I even could not find photos from my last trip to Burma. I even did not know what to do. But my colleague advised me to use Sort Photos. I installed it and it sorted all photos, that I had directly as I wanted (by camera model and date, when picture was made). I even did not supposed, that such clever picture organizers exist. Sort Photos Now saved very many of my time - all my photos are now in the ideal order. Sort Photos Now - is a program, which really

helps people to sort their photos easily."

Greg List, picturejournalist of newspaper "New York Times", [greg.list@new-york-times.com](mailto:greg.list@new-york-times.com) Sort Photos - More about Sort Photos Now and photo sorting

Now you know that Sort Photos Now - is a powerful picture sorting system that will sort, organize and rename all your picture collection. Picture sorter will not just sort your photos - picture sorter sort photos exactly as you want. From the first sight you may say that if picture sorter sort photos in an unlimited ways - it is not so important picture sorter option. But when we take a real person - like you - we see that everybody want to sort photos in some personal, unique way. Picture sorter give everyone ability to select how to sort your picture collection. It may be done very easy - using appropriate step in picture sorter start-up wizard. This wizard is included in all picture sorter versions and gives you ability to select how your photos should be sorted with this picture sorter.

On this picture sorter start-up wizard step may easily select one of popular picture sorting methods: sort photos with picture sorter by camera model, sort photos by picture creation time, sort photos by picture dimensions, etc. If you need some custom picture sorting method - then you may ask picture sorter to sort your photos in some custom, your own way. For example, you may sort photos by country and city where photos were made, by persons who are shown on the photos - all this is available in the registered picture sorter version.

For example, with us contacted Graham Peart, a journalist from the Reuters (international information service), and asked: "I heard that your picture sorter can sort photos not only by date / time, camera model, dimensions, etc. but also by name of country and city where picture was made - is it really possible?". And we answered: "Yes, our picture sorter can do it!" All photos of this journalist were sorted with picture sorter exactly as he always wants - by country and city. In the past he spent several hours every week to sort his new photos. Now, with picture sorter, all is done automatically - he said: "Sort Photos Now - is a miracle! It really helps me to sort all my photos - picture sorter sorted all my photos exactly as I want. Automatically."
